Career Objective

Motivated computer science student with strong fundamentals in programming and problem-solving, seeking opportunities to apply technical skills and contribute to innovative software solutions.

Education

Degree / Exam	Institution	Year	Score
B.Tech in Computer Science & Engineering	Lakireddy Balireddy College of Engineering, Mylavaram	2024–Present	CGPA: 9.23/10
Intermediate (MPC) BIEAP	NRI Educational Institutions, Vijayawada	2022–2024	97.1%
CBSE (Class X)	Atkinson High School, Vijayawada	2022	82.4%

Technical Skills

Programming Languages: Java, C, Python, SQL
Web Technologies: HTML, CSS, JavaScript

Certifications

- NPTEL – The Joy of Computing Using Python
- NPTEL – English Language for Competitive Exams
- Cisco – C Essentials 1
- Infosys – Python Foundation Certificate
- upGrad – Introduction to Database Design with MySQL

Projects

Taska – To-Do Web Application (HTML, CSS, JavaScript)

- Developed a responsive task management app with add, delete, and filter features.
- Implemented dynamic updates using JavaScript DOM manipulation.

Personal Portfolio Website (HTML, CSS, JavaScript)

- Built a portfolio website to showcase projects and technical skills.
- Designed a responsive and user-friendly interface.

SmartCalc Pro – Advanced Calculator (HTML, CSS, JavaScript)

- Developed a multi-functional calculator with basic, scientific operations, unit conversion, and history tracking.
- Designed an interactive and user-friendly UI with features like dark mode and real-time calculations.

Internships

Web Developer Intern — CODSOFT

April 2026

- Developed responsive web applications using HTML, CSS, and JavaScript
- Built projects including Portfolio Website, Landing Page, and advanced Calculator.
- Improved front-end development and UI design skills.

Java Programming Intern — CODSOFT

April 2026

- Built multiple console-based Java applications including a Currency Converter, number game and Student Grade Calculator
- Implemented logic using conditionals, loops, and functions to handle real-world problem scenarios
- Practiced Object-Oriented Programming concepts for structured application development

Achievements

- Solved 50+ LeetCode problems focusing on DSA using C.
- Won 1st prize in poster presentation at a college event.
- Won 2nd prize in paper presentation at a college event.
